

# Gazebo ceremony

Posted: Monday, Oct 26th, 2009

A ceremony was held on Friday morning to celebrate the new Lincoln Highway gazebo that was constructed at the Rochelle Railroad Park off of Ninth Street. The gazebo is one of 16 in Illinois that begin as far west as Fulton and run east to Park Forest along the historic Lincoln Highway. Pictured here during the ribbon cutting are Bonnie Heimbach, project director for the Illinois Lincoln Highway Coalition, State Representative Bob Pritchard, Mayor Chet Olson and Tourism and Visitor's Bureau director Ross Freier.
